2M 70CM DUAL BAND HIGH PERFORMANCE GAIN BASE STATION ANTENNA PDF - Search results, 2m/70cm Dual Band High Performance Gain Base Station Antenna DIAMOND ANTENNA Products are distributed by RF PARTS COMPANY 435 S. Pacific Street San Marcos, CA 92078 (760) 744-0900, A 70cm / 2m crossed satellite antenna. A crossed satellite Antenna [HOMEBREW] ... to the right are the band scope and waterfall. Center area holds the Macro™s ... dual lever iambic paddle or even straight key - not so important, it is easy to make any kind of telegraph, The FT-5200 is the latest innovation from the originators of mobile cross-band full duplex and detachable front panel design in amateur transceivers New miniaturization technology allows improvements such as a built-in antenna aut-tuner, dual, Figure 3: 2m dipole or J-pole (free-space) vertical radiation pattern (black) and the same antenna on 70cm (red). Fortunately, there is an easy solution. Install 70cm stubs on the 2m antenna to create a

good UHF radiation pattern. Many commercial HF antennas use this technique to achieve good patterns on their multi-band antennas., A Tri Band Antenna for 2 meters, 220 MHz, and 70cm Antenna Without Radials By: Edison Fong (WB6IQN) US patent #9,608,336 QST March 2017 . Previous Antennas ... there was a simple way to convert a 2 meter J-pole into a dual band J-pole DBJ-2 was developed from the successful performance of the DBJ-1 but folks requested a, 2m/70cm Dual Band Half-Wave Flower Pot Antenna The idea The half wave 2M version of the Flower Pot antenna is easily modified to a dual band antenna for operation on a band that is the [approximate] third harmonic of the fundamental resonance. [e.g. 145MHz x 3 = 435MHz] that™s 2M to 70cm, YAESU FT-4XR Dual Band 5W VHF/UHF FM Ultimate Compact Handheld Transceiver, Don Murray W9VE Building a Dual-Band Antenna Mentorfest 10/23/04 1 How to Build a Dual-Band Antenna for 2M/70cm, Dual-band Radio I normally make my OSCAR contacts using two separate handheld transceivers, one for each band.
