Catbrella Inc. Celebrates Their Tenth Twitter Follower
Customized Cat Umbrella Company Experiences Rapid Growth on Twitter

Boston, MA: Today, Catbrella Inc., a custom umbrella company specializing in umbrellas for cats and kittens, announced that they have reached 10 followers on the social media platform Twitter. After creating a Twitter account two years ago using the handle @catumbrella, Catbrella is seeing a return on its Promoted Tweets with their follower base reaching an all-time high this morning. Catbrella's tenth follower is @kittenhatz, who tweets frequently about cat couture.

Of the company's recent Twitter success, Catbrella CEO Max Litter said, "Reaching 10 Twitter followers this morning has been one of my proudest moments in my 20 years at Catbrella. We have a pretty niche offering and adapting to the digital age has really helped us increase our reach; ten years ago, @kittenhatz never would have heard of us. I couldn't be more elated. Who knows, this time next year we could have 30 followers."

To gain this momentous following, Catbrella planned and executed the following tactics:

- After deciding, based on gut instinct, that Promoted Tweets were far easier to leverage than organic content, Catbrella allotted \$500.00 to Twitter in their social media budget.
- By using phrases like 'The purr-fect way to stay dry' and 'Next time it rains, paws and think' in their tweets, Catbrella was able to optimize the 140-character limit.

About Catbrella Inc.: [Catbrella Inc.](#) is a cat umbrella company based in Boston, MA. Founded in 1982, Catbrella has designed, produced, and distributed over 2 million custom umbrellas for various types of cats and kittens. Catbrella was voted Most Innovative Company of the Year in 2007 by the Feline Business Awards.
