Classical architecture is a contemporary  
movement in architecture that continues the  
practice of classical and traditional  
architecture. The design and construction of  
buildings in these traditions is continuous  
throughout the twentieth and twenty-first  
centuries, even as modernist and other  
post-classical theories of architecture have  
been ..., Organic architecture is a philosophy  
of architecture which promotes harmony  
between human habitation and the natural  
world. This is achieved through design  
approaches that aim to be sympathetic and  
well-integrated with a site, so buildings,  
furnishings, and surroundings become part of  
a unified, interrelated composition., HOK is a
