The history of health care reform in the United States has spanned many years with health care reform having been the subject of political debate since the early part of the 20th century. 4X is a genre of strategy-based video and board games in which players control an empire and "eXplore, eXpand, eXploit, and eXterminate". The term was coined by Alan Emrich in his September 1993 preview of Master of Orion for Computer Gaming World. The Public Inspection page on FederalRegister.gov offers a preview of documents scheduled to appear in the next day's Federal Register issue. The Public Inspection page may also include documents scheduled for later issues, at the request of the issuing agency.
