is an advertising and marketing term
describing the use of foreign or
foreign-sounding brand names for
companies, products, and services. When
the actual country of origin may not be
beneficial, companies tend to use a foreign
branding strategy, trying to make customers
believe that the company and/or its products
originate from a more favourable country
than they actually do., In marketing, brand
management is the analysis and planning on
how that brand is perceived in the
market.Developing a good relationship with
the target market is essential for brand
