 3phase IEC Brake Motors s, fast action
 brakes, d: MT Motori Electtrici is well known
 in Europe for its high quality and broad range
 of AC-Brake Motors., These versions are
 also commonly referred to as B5 motor or
 B14 motor. The identifiers of the flanges
 according to the EN 50347 standard do not
 refer to the diameter, but to the hole circle.
 SEW has determined the flange designation
 accordingly and included it in the type and
 catalog designation., connections between
 electrical motors with standard b3-b5-b14
 flange and hydraulic gearpumps tipologia
