Modification,10/e assumes no specific prior

knowledge about psychology or behavior

modification on the part of the reader. The

authors begin with basic principles and

procedures of behavior modification and then

provide readers withâ€¦, The goal of this

sixth edition (as with the earlier editions) is to

describe basic principles of behavior so that

the student learns how environmental events

influence human behavior and to describe

behavior modification procedures so that the

student learns the strategies by which human

behavior may be changed., Note: Citations
