EIKIDS best practices guidelines final pdf

This document specifies Best Practices for
delivering Web content to mobile devices., 1

BEST PRACTICES GUIDELINES
PURPOSE OF GUIDELINES The primary

purpose of these guidelines is to assist
service coordinators, providers and families

in designing quality intervention for children
using, Content security best practices are

designed to take into consideration the
services the facility provides, the type of

content the facility handles, and in what
release window the facility operates. Best

practices outlined in this document are
subject to local, state, regional, federal and

country laws or regulations., Compliance with
best practices is strictly voluntary. This is not

an accreditation program. Exception Process
Where it may not be feasible to meet a best

practice, facilities should document why they
cannot meet the best practice and implement

compensating measures used in place of the

best practice., Principles essential to best
practices . The best practices in these
guidelines are built on the following
principles: • The rights and needs of
students with diverse sexual orientations,
gender identities and gender expressions are
respected and inform decision-making.,
regulatory requirements. While the guidelines
do not specifically address regulatory
requirements outside of the U.S., the
scientific principles underlying the guidelines
may apply to international regulatory
paradigms. The guidelines reflect the most
up-to-date science and industry thinking, and
will be updated as best practices evolve.,
refining existing ones. It is a companion to
the 13 recommended best practices and
guidelines., The Best Practices set a
baseline of responsible practices intended to
... These high-level guidelines were first ...
