Study Island is a leading academic software provider of standards-based assessment, instruction, and test preparation e-learning programs.

A mind map is a diagram used to visually organize information. A mind map is hierarchical and shows relationships among pieces of the whole. It is often created around a single concept, drawn as an image in the center of a blank page, to which associated representations of ideas such as images, words and parts of words are added.

The Purdue University Online Writing Lab serves writers from around the world and the Purdue University Writing Lab helps writers on Purdue's campus.

English Language Arts Standards Download the standards Print this page The Common Core State Standards for English Language Arts & Literacy in History/Social Studies, Science, and Technical Subjects (the standards) represent the next generation of K-12 standards designed to prepare all students for success in college, career, and

life by the time they graduate from high school.

It's almost February, and with messages for Valentine's Day all around us it's impossible to avoid thinking about love and all of the feelings that come with it.

But whether you are reading this in February or July, the topic of love can be equally charged and confusing. So, what is love?

First let's get,

Downloadable resources are located in our online catalog. Just click on the filename to download an electronic file of the resource.

Preferred languages: C/C++, Java, and Ruby. I am looking for some helpful books/tutorials on how to write your own compiler simply for educational purposes. I am most familiar with C/C++, Java, an..., Example Sentence.
