One of the hardest concepts to explain when
introducing new folks to Business Objects is
context. I now imagine blog readers who

have been working with the tools for a while have started nodding their heads in agreement, only to stop and say, "Hey, wait a second, is Dave talking about universe contexts or report calculation contexts?",

Engaging for success: enhancing performance through employee engagement

A report to Government David MacLeod Nita Clarke, Human multitasking is an apparent human ability to perform more than one task, or activity, over a short period (1 hour). An example of multitasking is taking phone calls while typing an email and reading a book., 4 we roll out the system, we find we lack a culture that supports collaborative work because people still view knowledge as a method of securing their job, so they're reluctant to share., Executive Summary.

Context matters when assessing a culture's strategic effectiveness. Leaders must simultaneously consider culture styles and key organizational and market conditions if they want their culture to help drive performance., Knowledge Management: Approaches and Policies Dr David J.
