P, Donald Thomas Campbell (November 20,
1916 â€“ May 5, 1996) was an American
social scientist.He is noted for his work in
methodology.He coined the term
"evolutionary epistemology" and developed a
selectionist theory of human creativity., In

social psychology, a stereotype is an
over-generalized belief about a particular
category of people. Stereotypes are
generalized because one assumes that the
stereotype is true for each individual person
in the category., PREFACE Researchers in
the social sciences often require reference
books to aid them in the computation and
interpretation of statistics. These books are
usually organized around a set of statistical
