3! Chapter 1. What is a candlestick chart? Before I start to talk about candlestick patterns, I'd like to get right back to basics on candles: what they are, what they look like, and why we use, included in magazine articles or book appendices (as a rule merely introductions to the candlestick

method). Make a copy of Figure 2 and refer to it as you analyze your charts. See if these new patterns tell you a different story than you would have come up with if you had ignored them. If you find this exercise worthwhile, see the suggested readings for complete coverage of all the ...

Candlestick Charting Explained Workbook: Step-by-Step Exercises 2011 Â· Paperback 4.5 out of 5 stars - Candlestick Charting Explained Workbook: Step-by-Step Exercises 2011, In his book, Candlestick Charting Explained, Greg Morris notes that for a pattern to qualify as a reversal pattern, there should be a prior trend to reverse. Bullish reversals require a preceding downtrend and bearish reversals require a prior uptrend. The direction of the trend can be determined using, There is a huge amount of information in this book - so I strongly suggest you also buy the "Candlestick Charting Explained Workbook" which is like a bootcamp for those studying candlesticks. I found going through the workbook gets you up to speed on candlesticks quicker and will jump start your understanding the Candlestick Charting Explained ..., Candlestick Basics 2011

Understanding Price Action & Volume

Candlestick charts are my personal

preference for analyzing the market. What I

like about them is the fact that price patterns

are easy, Candlestick Charting Explained 3rd

Edition by Gregory L. Morris Note from Greg

Morris: "The success of the first edition

(1992) and the second edition (1995) made

the decision to do this one easy. I added 20+

new complementary patterns to fill the holes

that existed in the Japanese literature. A
