Let me start off by saying I have been a professional wedding/portrait photographer for the past 21 years. I have been using Canon products the entire time., The Canon 430EX II flash is Canon's best mid-sized flash for when you're using a flash all day long for sports, portrait and wedding work. It excels because it's loaded with power and recycles silently and almost immediately, even at full power. The 430EX II also excels at ease of use, with a real ..., View and
