CIVILIZATION THE SIX KILLER APPS OF WESTERN POWER PDF - Search results, Niall Ferguson "The West's Six Killer Apps By Robert Huebscher May 22, 2012 For five centuries, the West dominated Eastern economies. But, beginning with the fall of the Berlin Wall in 1989, the East has now caught up, according to Niall Ferguson. It did so by downloading six "killer apps" from the West., Yet these contemporary explanations for Oriental underachievement were mistaken. The first of the six distinct killer applications that the West had but the East lacked was not commercial, nor climatic, nor technological, nor philosophical. It was, as Smith discerned, above all institutional., Acclaimed historian Niall Ferguson argues that beginning in the fifteenth century, the West developed six powerful new concepts, or "killer applications"â€"competition, science, the rule of law, modern medicine, consumerism, and the work ethicâ€"that the Rest lacked, allowing it to surge past all other competitors., notes to summarize: Niall
