Exchange plan 1, You might choose to keep
Exchange on-premises and use Exchange

Online to handle merger and acquisitions.
Weâ€™ve continued to invest in evolving
Exchange - and to keep a long story short -
you can choose Exchange on-premises, in
the cloud, or both., Exchange Online is the
enterprise email server now hosted and run
by Microsoft. Exchange Online allows for
management of email mailboxes. It is far
easier to operate, set up and launch an
enterprise product both for small businesses
and enterprises., Microsoft defines downtime
as the following for Exchange Online:
â€œAny period of time when end users are
unable to send or receive email with Outlook
Web Access.â€• Microsoft designates
Outlook Web Access (OWA) instead of
Outlook because OWA is a direct connection
to Exchange Online via the browser., Office
