how, 2 What is competitive intelligence?

Competitive intelligence is a systematic

program for gathering and analyzing

information about your competitors' activities

and general business trends to further your

own, 7 October 2013 | By Estelle Metayer.

Analysis is often where the ball drops as far

as competitive intelligence analysts are

concerned. Yet this is the only way the team

can truly extract insights from the data and

the intelligence gathered, and have a chance

to play a role in the company's strategic

planning process.,
