conduct a biennial PITC of unsheltered and sheltered persons experiencing homelessness on a single night in January. This year, 2018, was not a mandated year for communities to conduct an unsheltered count; however, the San Diego community continues to conduct an annual count. The unsheltered count is a survey of homeless individuals and families most commonly considered homeless (those sleeping outdoors, on the street, in parks or vehicles, etc.). Beginning in 2013, a greater effort was made to identify homeless youth under age 25 because of HUD's lists the total number of unsheltered and sheltered persons for each city. As noted in the table below, of the 1,299 homeless adults and children counted in 2018, 821 or ... homeless count and survey, however, was conducted every year beginning in 2009. The following
