textbooks online, for any college course., Try

googling the name of the book, author, and

edition and end it with "free pdf." You might

have been assigned the newest edition of a

book, but it is just the same as the past

editions only with new examples and more

pages but same content. I found all of my

books by googling past editions since

sophomore year., Also check out usenet, lots

of books get posted. I've found some

textbooks that way. The biggest challenge

I've found is that books are so small (relative

to blu-ray movies) that they're often made

into a pack of books on a topic/subject. So

you may have to download a few to see what

they have available., X Exclude words from
