DELIRIUM BOOK PDF - Search results,

Delirium is a dystopian young adult novel written by Lauren Oliver, published on January 1, 2011, by HarperCollins (HarperTeen), about a young girl, Lena Haloway, who falls in love in a society where love is seen as a disease. The novel is the first part of a trilogy, followed by Pandemonium, Delirium, also known as acute confusional state, is an organically caused decline from a previously baseline level of mental function. It often varies in severity over a short period of time, and includes attentional deficits, and disorganization of behavior. It typically involves other cognitive deficits, changes in arousal (hyperactive, hypoactive, or mixed), perceptual deficits, altered ... 1 It is common for patients who are critically ill to experience delirium, usually called ICU delirium.
