chronic urticaria: 2014 update Chief Editors:
Jonathan A. Bernstein, MD, David M. Lang,
MD, and David A. Khan, MD, For any urgent
enquiries please contact our customer
services team who are ready to help with any
problems., A multidisciplinary approach is the
key element in the management of SMA
patients , .SMA is a complex disorder
involving different aspects of care and
professionals, and each of the aspects
should not be dealt in isolation but as part of
a multidisciplinary approach ().In the past
families had to coordinate all the
assessments and visits but it is now
recommended that this should be ...
