DISCRIMINATIVE CLUSTERING FOR MARKET SEGMENTATION PDF - Search results, Discriminative Clustering for Market Segmentation ... Discriminative Clustering, Market Segmentation 1. INTRODUCTION Market segmentation reveals divisions in a given market, where a market refers to a population of interest such as $\hat{\alpha}$ —This work was performed during an internship at Yahoo!, We study discriminative clustering for market segmentation tasks. The underlying problem setting resembles discriminative clustering, however, existing approaches focus on the prediction of univariate cluster labels. By contrast, market segments encode complex (future) behavior of the individuals ..., We study discriminative clustering for market segmentation tasks. The underlying problem setting resembles discriminative clustering, however, existing approaches focus on the prediction of univariate cluster labels., Discriminative Clustering for Market Segmentation Peter Haider Dep. of Computer Science Univ. of Potsdam, Germany
