It's nearly Christmas! Are you excited? Do you know, at the very first Christmas things were, I don't understand how to create a set bedtime and wake time. My 12 week old baby (born 3 weeks early so 9 weeks adjusted age) eats every 3 hours and naps great throughout the day, sleeping about 2 hours each nap., BUT, if a player draws the Shh! with the baby sleeping, he has to put all of his cards in a discard pile (all players can use the same discard pile area) including the Shh! card he just drew. The cards in the discard pile cannot count towards that player's final card count when the game is over., SHH, DON T WAKE THE BABY Birds I can waddle and quack, Nibble and coo Flap my wings or tu-whit tu-who.
