Economic Development Theory,
Sub-Saharan Africa, and Intervention
Strategies for the Most Impoverished by
Jeremy Townsley Dec 2009, 1. Introduction.
In this review article, we look at adaptation to
climate change through the lens of
development economics. Since the
development literature has firmly established
the role of weather risk as a source of
income volatility for the poor, and climate
change is expected to increase this risk, we
review the range of risk-coping ..., Brief
Contents PART I Introduction to Economics
