35â€“45 ISSN: 2225-8329, Human migration  
is the movement by people from one place to  
another with the intentions of settling,  
permanently or temporarily in a new location.  
The movement is often over long distances  
and from one country to another, but internal  
migration is also possible; indeed, this is the  
dominant form globally. People may migrate  
as individuals, in family units or in large  
groups., I declare that `` Causes and
