Foundation, For over thirty years now,
Alexan has been committed in providing
quality products and services to its
customers. Alexan has been a household
name in electronics, a name synonymous
with satisfaction and quality., bolic results. All
the software to support practical projects
related to the topics of this book was written
in C language and compiled with the
gcccompiler. All this artillery is running
smoothly on the Linux XUbuntu laptop
computer, which gracefully served the author
during the whole writing process.
