Since it was first published in 1964, Elements

of Shipping has become established as a

market leader., Elements of Shipping was

first published in 1964 and has become

established as a market leader over its many

editions. This sixth is entirely updated to take

in the many changes that have occurred in

the shipping industry in recent years and

features new chapters on multimodalism,

seaports and electronic data interchange., by

Alan Edward Branch ... Elements of Shipping

is much more than an entry level guide to

commercial shipping., Filling a gap for the

discerning reader who wishes to have a

complete understanding of all the elements

of the global shipping scene together with the

interface with seaports, international trade

and logistics, it remains essential reading for

shipping executives along with students and

academics with an interest in the shipping

industry., With new chapters on seaports and

electronic data interchange, it explains in a

lucid, professional manner the basic

elements of shipping embracing operating,

e-commerce/computerization

(shipboard/trade), commercial, legal,

economic, technical, managerial, logistics

and financial considerations., PRINCIPLES OF MARINE INSURANCE 770 ... Principles of marine insurance law, ... Elements of shipping. Alan E. Branch. 6th edition., Now in its ninth edition, Branch's Elements of Shipping, renamed in memory of Alan Branch, has been updated throughout and revised to take in the many changes that have occurred in the shipping industry in recent years, including the impact of the economic crisis, the Panama Canal expansion and new legislation., Since the publication of my books Elements of Shipping and more recently Economics of Shipping Practice and Management, both selling in over 130 countries, I have received numerous requests both from home and abroad for a companion volume on seaports., Elements of Shipping by Alan Edward Branch.
