Method A journals make the final published
version of all NIH-funded articles available in
PubMed Central (PMC) no later than 12
months after publication without author
involvement. The start date shown for each
journal is the earliest publication date that
meets this requirement. Enter a journal name
below to see if it uses Submission Method
A., Introduction. Step 1 consists of
multiple-choice questions prepared by
examination committees composed of faculty

members, teachers, investigators, and
clinicians with recognized prominence in their
respective fields., The mission of the School
of Medicine is to serve the needs of the
citizens of Texas by providing medical
education and training to medical students
and physicians at all career levels and
fostering an environment of life-long learning
that is flexible and emphasizes
professionalism, with special commitment to
the preparation of physicians in both the art
and science of medical practice ..., Human
papillomavirus infection is an infection by
human papillomavirus (HPV). Most HPV
infections cause no symptoms and resolve
spontaneously. In some people, an HPV
infection persists and results in warts or
precancerous lesions. The precancerous
lesions increase the risk of cancer of the
cervix, vulva, vagina, penis, anus, mouth, or
throat. Nearly all cervical cancer is due to
HPV with two ..., "The essence of
intercultural education is the acquisition of
empathy" the ability to see the world as
others see it, and to allow for the possibility
that, omics group has scheduled its 2014,
2015 and 2016 international and scientific

conferences, meetings, events, workshops
and symposiums in america, europe, asia ...,
Clinical trials are experiments or
observations done in clinical research. Such
prospective biomedical or behavioral
research studies on human participants are
designed to answer specific questions about
biomedical or behavioral interventions,
including new treatments (such as novel
vaccines, drugs, dietary choices, dietary
supplements, and medical devices) and
known interventions that warrant ...
