Category: Structural, Simply to say that a unit  
or block of work is worth so many dollars  
because it cost your company that on a  
previous project is absurd, ridiculous and  
tends to show the weakness of the  
inexperienced estimator, The purpose of this  
manual is to offer assistance or a basis, in  
direct labor manhours, for this type  
estimator., Estimator's General Construction

Estimator's General Construction Man-Hour Manual B.2., www.nigc.ir, Estimator's General Construction Manhour Manual (Estimator's Man-Hour Library) ... This manual is indispensable for estimators of general construction., basis I used was a system for estimating the value of erection works of a German Company LINDE, which I completed and modified. Generally, for elaboration of the man hours for erection/installation of process equipment, I used the English man hours of the Oil and Chemical Plant Constructors Association, but I used other sources as well.
