This book balances the preparation of financial statements with their analysis and interpretation., While there is growing interest in IFRS within the US, interest outside the US has exploded. Weygandt's third edition of Financial Accounting: IFRS highlights the integration of more US GAAP rules, a desired feature as more foreign companies find the United States to be their largest market. The highly anticipated new edition retains each of the key features (e.g. TOC, writing style, pedagogy ..., solution manual chapter 1 - Free download as PDF File (.pdf), Text File
