..., The American Association of Colleges of

Nursing (AACN) is the national voice for
baccalaureate and graduate nursing
education. AACN works to establish quality
standards for nursing education; assists
schools in implementing those standards;
influences the nursing profession to improve
health care; and promotes public support for
professional nursing education, research,
and practice., There are few widely

acknowledged quality standards for research
practice, and few definitions of what
constitutes good research. The overall aim
was therefore to describe what constitutes
research, and then to use this description to
develop a model of research practice and to
define concepts related to its quality.,

Research & writing for assignments.
