edition. 916 Pages. Book - Fundamentals Of
Thermodynamics 8th edition. ... Book -
Fundamentals Of Thermodynamics 8th ...,
Once upon a time...This was my thermo text
when I took the class from the former director
of flight test engineering at Edwards. He was
a stickler for fundamentals and this was the
text he chose. It covers all the fundamentals
and is both comprehensible and thorough. I
had to buy a second one as the original one
from class has a worn out binding.
