GLOBALIZATION OF WORLD POLITICS

5TH EDITION PDF - Search results,

Globalization or globalisation is the process of interaction and integration between people, companies, and governments worldwide. Globalization has grown due to advances in transportation and communication technology. With increased global interactions comes the growth of international trade, ideas, and culture. Globalization is primarily an economic process of interaction and integration that ...
The anti-globalization movement, or counter-globalisation movement, is a social movement critical of economic globalization. The movement is also commonly referred to as the global justice movement, alter-globalization movement, anti-globalist movement, anti-corporate globalization movement, or movement against neoliberal globalization.. Participants base their criticisms on a number of related ...
