HBR GUIDE TO OFFICE POLITICS PDF -

Search results, A beautifully designed office can be a useful factor in recruiting and retaining talent. Today's brand-new workplaces may contain officeless offices, cubeless cubelands, and collaborative spaces only surrounded by glass walls. These workspaces certainly look unique and make a strong statement about company culture, especially to prospective employees walking through the door for an interview. Smart companies understand that workspaces are a business tool. An office environment reflects and reinforces a business's core values, through the placement of different teams and functions and design elements that reflect culture, brand, and values.
