Owenite who traveled the United States in 1843, that the democratic party, and particularly the poorer class of Irish immigrants in America, are greater enemies to the negro population, and greater advocates for the ... , How the Irish Became White Art McDonald, Ph.D. Several weeks ago I participated in a three day anti-racism training workshop which was conducted here in Pittsburgh., How The Irish Became Whiteconvincingly explodes a number of the most powerful myths surrounding race in our society. This bold and necessary intervention should be required reading for anyone interested in the history, theory and politics of racial identity and race relations in the United States., Just how, in the years surrounding the Civil War, the Irish evolved from an oppressed, unwelcome social class to become part of a white racial class is the focus of Harvard lecturer Ignatiev's well-researched, intriguing although haphazardly structured book.
