management the first and only comprehensive, INFLIGHT MANAGEMENT MANUAL WORK GROUP (IMMWG) www.iata.org/workgroups/ifc The Inflight Management Manual Work Group was established in 2005 to oversee the development, coordination and maintenance of the IATA Inflight Management Manual on a permanent basis to ensure new material and updates are issued in a timely fashion., In-flight catering is a central part of these strategies at all levels: be they customer satisfaction, marketing, operations or logistics. Fully endorsed by the International Flight Catering Association, Flight Catering is an authoritative guide to this specialised and vital area on the catering industry., The interior design of aeroplanes began to incorporate catering functions in order to enrich the dining experience in the air. During the 1940s, Boeing 377 served passengers in staterooms with private washstands, berths, divans, clothes closets, and reclining lounge chairs. Dinner served downstairs was the highlight of the flight (Dana, 1999)., Inflight Catering Management by Audrey C. McCool[D.o.w.n.l.o.a.d N.o.w
