Introduction to Criminology This chapter
identifies key philosophies and debates in
the development of criminology. Two key
schools of thinking – the classical and the
positive – arose in Europe and influenced
later thinking; but modern criminology arises
out of the Anglo-American tradition., This
course provides a general introduction to the
study of crime. The main focus of the course
will revolve around crime measurement,
patterns and trends in crime, crime types,
criminological theories, and how the theories
are related to public policies and the criminal
justice system., Introduction to Crime &
