KINGDOMS AND TRADING STATES OF AFRICA ROGALSKIS HISTORY PDF - Search results, The Sahelian kingdoms were a series of kingdoms or empires that were centered on the Sahel, the area of grasslands south of the Sahara. The wealth of the states came from controlling the trade routes across the desert. Their power came from having large pack animals like camels and horses that were fast enough to keep a large empire under central control and were also useful in such kind of battle., The term Greater India is most commonly used to encompass the historical and geographic extent of all political entities of the Indian subcontinent, and the regions which are culturally linked to India or received significant Indian cultural influence. These countries have to varying degrees been transformed by the acceptance and induction of cultural and institutional elements of India., Sweden (Swedes / Suiones) Much of the northern and central areas that make up modern Sweden were occupied from the end of the last ice age by SÃ¡mi tribes., PERIOD
