KNOWLEDGE MANAGEMENT

JASHAPARA WEBXMEDIA PDF - Search

results, ABSTRACT: Today, knowledge is increasingly recognized as an important, strategic resource by all types of organizations and institutions, whether private or public, service oriented or production oriented. Regardless of the importance ostensibly attached to it, public sector organizations have often been less inclined to fully explore the benefits of knowledge management than the private sector., The Master of Business Administration (Online) has EPAS (EFMD Programme Accreditation System) accreditation from the European Foundation for Management Development (EFMD).
