LITERARY THEORY AN ANTHOLOGY 2ND EDITION PDF - Search results, Literary theory in a strict sense is the systematic study of the nature of literature and of the methods for analyzing literature. However, literary scholarship since the 19th century often includesâ€”in addition to, or even instead of literary theory in the strict senseâ€”considerations of intellectual history, moral philosophy, social prophecy, and other interdisciplinary themes which are of ..., New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history., In literary theory, a text is any object that can be "read", whether this object is a work of literature, a street sign, an arrangement of buildings on a city block, or styles of clothing. It is a coherent set of signs that transmits some kind of informative message. This set of symbols is considered in terms of the
