Times., New Keynesian economics is a
school of contemporary macroeconomics
that strives to provide microeconomic
foundations for Keynesian economics.It
developed partly as a response to criticisms
of Keynesian macroeconomics by adherents
of new classical macroeconomics.. Two main
assumptions define the New Keynesian
approach to macroeconomics., This is a list
of important publications in economics,
organized by field.. Some reasons why a
particular publication might be regarded as
important: Topic creator “ A publication

that created a new topic; Breakthrough “ A
publication that changed scientific knowledge
significantly; Influence “ A publication
which has significantly influenced the world
or has had a massive impact on the ...
