EXECUTIVE PROGRAMME COST AND

MANAGEMENT ACCOUNTING Finance and

accounting have assumed much importance

in today's competitive world of business,

The term Semi-variable cost (also referred to

as semi-fixed cost) is often used to project

financial performance at various scales of

production, where it is an expense which

contains both a fixed-cost component and a

variable-cost component. It is related to the

scale of production within the business

where there is a fixed cost which remains

constant across all scales of production

whilst ..., In commerce, supply chain

management (SCM), the management of the

flow of goods and services, involves the

movement and storage of raw materials, of

work-in-process inventory, and of finished

goods from point of origin to point of

consumption. Interconnected or interlinked

networks, channels and node businesses

combine in the provision of products and

services required by end customers in a ...,
