served in Afghanistan., About Sports
Psychology, Sports Psychology, Sports
Psychology Coaching, Peak Performance,
Sport psychology is an interdisciplinary
science that draws on knowledge from many
related fields including biomechanics,
physiology, kinesiology and psychology.It
involves the study of how psychological
factors affect performance and how
participation in sport and exercise affect
psychological and physical factors. In
addition to instruction and training of
psychological skills for ..., Peer support
services are delivered by individuals who
have common life experiences with the
people they are serving. People with mental
and/or substance use disorders have a

unique capacity to help each other based on
a shared affiliation and a deep understanding
of this experience. In self-help and mutual
support, people offer this support, strength,
and hope to their peers, which allows for ...,
