Session 1828 Over the years, many attempts have been made to develop a solution that can make life for SAS® Administrators easier. Some were more successful than others, though none reached the point at which the process is fully automated, simple, efficient, fault-tolerant, and manageable., The British Army during World War I fought the largest and most costly war in its long history. Unlike the French and German Armies, the British Army was made up exclusively of volunteers”as

opposed to conscripts”at the beginning of the conflict. Furthermore, the British Army was considerably smaller than its French and German counterparts.
