MR IMAGING OF THE LUMBAR SPINE A TEACHING ATLAS PDF - Search results, ultimate best interest of all MR practitioners to create and maintain this consolidated database of such events to help us all learn about them, Magnetic resonance imaging (MRI) is a medical imaging technique used in radiology to form pictures of the anatomy and the physiological processes of the body in both health and disease., MR Imaging of Parotid Tumors: Typical Lesion Characteristics in MR Imaging Improve Discrimination between Benign and Malignant Disease, SUMMARY: In this article, the underlying theory of clinical diffusion MR imaging, including diffusion tensor imaging (DTI) and fiber tractography, is reviewed. First, a brief explanation of the basic physics of diffusion-weighted imaging (DWI) and apparent diffusion coefficient (ADC) mapping is provided., Cerebral amyloid angiopathy (CAA) is an important but underrecognized cause of cerebrovascular disorders that predominantly affect elderly patients. CAA results from

deposition of β -amyloid protein in cortical, subcortical, and leptomeningeal vessels., Introduction. Posterior reversible encephalopathy syndrome (PRES) is a radiological and clinical entity in which reversible changes occur in the central nervous system, associated with typical features on MR or CT brain imaging., Ovarian masses present a special diagnostic challenge when imaging findings cannot be categorized into benign or malignant pathology. Ultrasonography (US), Computed Tomography (CT), and Magnetic Resonance Imaging (MRI) are currently used to evaluate ovarian tumors., Magnetic Resonance Imaging of Benign Soft Tissue Neoplasms in Adults Eric A. Walker, MDa,b,* , Michael E. Fenton, MDc, Joel S. Salesky, MDc, Mark D. Murphey, MDb,c,d Benign soft tissue lesions outnumber their malignancy, This disambiguation page lists articles associated with the title MR. If an internal link led you here, you may wish to change the link to point directly to the intended article., MR SAFETY. Your Primary Source for MR Safety Resources, Support & Education. Content, videos, news, illustrations, posters, events, CEs and more!,
