A collection of scholarly works about individual liberty and free markets. A project of Liberty Fund, Inc., Homeopathy is a system of medicine that heals illness using substances capable of causing the same illness – that is, presenting the same symptoms, syndrome, and conditions – when administered to healthy people.

16 Homeopathy is founded on the principle of assisting the body in its own adaptive, healing response to symptoms and illness.

17 The homeopathic system consists of specific, highly ... There some interesting points here but it largely mistakes the issue. Crucially, in the context, Jenny McCarthy is not, was never, an anti-vaccinationist – she was a celebrity mother who witnessed vaccine injury to her child and became a campaigner for vaccine safety (actually she has been more or less forced into silence on the matter for several years).
