readership xvii Chapter 1 Prologue Key  
concepts and learning objectives What is  
organizational behaviour?, "Change is hard  
because people overestimate the value of  
what they have"and underestimate the  
value of what they may gain by giving that  
up." (... Complexity characterises the  
behaviour of a system or model whose  
components interact in multiple ways and  
follow local rules, meaning there is no  
reasonable higher instruction to define the  
various possible interactions.. The term is  
generally used to characterize something  
with many parts where those parts interact  
with each other in multiple ways, culminating  
in a higher order of emergence ...,
