Controversy 3, Western drama originates in

classical Greece. The theatrical culture of the

city-state of Athens produced three genres of

drama: tragedy, comedy, and the satyr

play. Their origins remain obscure, though by

the 5th century BC they were institutionalised

in competitions held as part of festivities

literature: Dramatic literature, the texts of

plays that can be read, as distinct from being

seen and heard in performance. The term

dramatic literature implies a contradiction in

that literature originally meant something

written and drama meant something

performed. Most of the problems, and much

performance or concert dance, is intended

primarily as a spectacle, usually a

performance upon a stage by virtuoso

dancers. It often tells a story, perhaps using

mime, costume and scenery, or else it may

simply interpret the musical accompaniment,

which is often specially composed. Examples

are western ballet and modern dance,
