OTTOMAN EMPIRE CAROLINE FINKEL
PDF - Search results, Ertugrul (Ottoman
Turkish: Ertuğrul , Turkish:
Ertuğrul Gazi, Erá¹-oÄ;rÄ±l; often with the
title Gazi) (died c. 1280) was the father of
Osman I, the founder of the Ottoman
Empire. While his historicity is proven by
coins minted by Osman I which identify
Ertuğrul as the name of his father, nothing
else is known for certain about his life or
activities., Det osmanske rike (Det
ottomanske rike) eller Osmanerriket var et
imperium sentrert rundt det Ä,stlige
Middelhavet fra 1299 til 1923. PÄ¥ hÄ,yden
av sin makt omkring 1600-tallet omfattet det
Anatolia, MidtÄ,sten, deler av Nord-Afrika,
store deler av SÄ,rÄ,st-Europa og
Kaukasus. De mest perifere delene av riket
var styrt av lokale herskere og var bare
indirekte under kontroll av ...
