OUR POSTHUMAN FUTURE PDF - Search results, Definition. According to transhumanist thinkers, a posthuman is a hypothetical future being "whose basic capacities so radically exceed those of present humans as to be no longer unambiguously human by our current standards." Posthumans primarily focus on cybernetics, the posthuman consequent and the relationship to digital technology. The emphasis is on systems., It is a matter of debate whether transhumanism is a branch of posthumanism and how this philosophical movement should be conceptualised with regard to transhumanism. The latter is often referred to as a variant or activist form of posthumanism by its conservative, Christian and progressive critics.. A common feature of transhumanism and philosophical posthumanism is the future vision of a new ..., In the space of possible modes of being, the ones accessible to human beings form a tiny subset.
