disciplines., Separating Immigrant Children
From Their Families AACAP Policy
Statement June 2018. The American
Academy of Child and Adolescent Psychiatry
(AACAP), a medical association representing
physicians dedicated to the health of children

and families around the globe, advocates
putting an end to the practice of separating
immigrant children from their ...,
Anti-psychiatry is a movement based on the
view that psychiatric treatment is often more
damaging than helpful to patients. It
considers psychiatry a coercive instrument of
oppression due to an unequal power
relationship between doctor and patient and
a highly subjective diagnostic process.,
Political abuse of psychiatry is the misuse of
psychiatry, including diagnosis, detention,
and treatment, for the purposes of
obstructing the human rights of individuals
and/or groups in a society., If the address
